Addressing the world  
**JAI PRATHYANGIRA**  
**DAILY RAAGU KAALA POOJA** Rituals

Sri Prathyangira Dasa swamiji attained spiritual enlightenment at the age of 8. He received the worship of Prathyangira devi as Universal truth (Brahma Gnana) and has been steeped in the practice of Jai Prathyangira worship for the past 30 years.

As a child, he used to accompany his astrologer father, every Tuesday, to Tiruverkaadu, to the Karumaariyamman temple which is also the abode of Shri Jai Prathyangira Devi. That apart, he would accompany him on every Amavasya day (new moon day) where they would worship the Goddess and he would stay in the night at the Entrance of Goddess Pathyangira temple

likewise, while staying on amnavasai day, A littel girl clad in green long skirt and blouse with flowers adorning her hair, who woke up him and said spread the glory of her to the world in the name Daily Raagu Kaala Pooja and She promised that you would always be blessed with my grace and blessings and disappeared. The ecstatic Swamiji realised In the divine vision, that the Bala Prathyangira had appeared front of him and fell in worship at her.

Even before he could utter the name of Prathyangira Devi, there were detractors who said that she was a fierce Goddess who lived in the forests and that worshipping her image at home was a bad omen. Shri Prathyangiradasa swamiji had to dispel such falsehoods and prove to the World that Prathyangira Devi was actually a personification of the Universal power of the Gods (Shakthi). He made it his life's mission, as divinely ordained, to spread the greatness of Devi's power and assuage people's false fears.

As ordained by the Goddess Ambal, Sri Prathyangiradasa Swamiji has undertaken to reveal to the people the great glory of Akhilandakoti-Brahmaanda Naayaki- Atharvana Veda's Simhasaneswari Annai Jai Prathyangira and the detailed secret worship method of Jai Prathyangira daily Rahu Kaala pooja benefits and explain the multi-fold benefits of such worship to the people in such a simple way that they may be blessed and profit by it.
